

Helping Hand of Myrtle Beach Newsletter

1st Quarter 2023

HELPING HAND
OF MYRTLE BEACH

Welcome to our new quarterly newsletter where we will share all that is happening at Helping Hand, upcoming events, shout outs to our donors, partners and everything you need to know!

What's New

Eggs and butter coming soon!

We have received a donation, from the Church of Latter Day Saints, of two new refrigerators for our organization and will soon be able to provide butter and eggs to clients which are much needed staples for most families.

We received a grant from EFSP that allowed us to assist additional clients with rent and utility requests within Horry County.

Impact Stories

In March we were able to provide a client with their favorite cereal. The clients face lit up and she gave us a huge hug. This small act of kindness made her day and brightened ours too!

In December we provided a client with local bus tickets for doctors' appointments to help treat a leg wound. In March we were made aware that his leg has healed!

From small acts of kindness to monetary assistance we are impacting our community. This would not be possible without the donations received from Churches, local organizations and individuals within our Community. **THANK YOU FROM OUR HEART TO YOURS!**

Current Needs

- Cereal
