## Impact Stories

In June we were able to provide food for a client that recently lost her daughter in a car accident and now has custody of her three kids. We were able to help her with gas too. She was extremely thankful!

We provided a brand new pair of jeans to a Homeless man that was very embarrassed about his appearance. The jeans gave him a boost of confidence and a great deal of joy!

In June we helped a family with rental assistance to keep them in their home. The mother was between jobs and extremely thankful for the much needed assistance.

We are impacting our community. This would not be possible without the donations received from Churches, local businesses and individuals within our Community. **THANK YOU FOR YOUR DONATIONS!**
